## OUR COMMITMENT TO SUSTAINABILITY

At the Ashmolean Museum we are passionate about sustainability and reducing the environmental impact of events at the museum.

We wholeheartedly believe that Christmas parties can be kinder to the planet without compromising on quality or enjoyment. For instance, we work with catering partners who offer delicious low carbon menu choices and whose talented chefs have developed creative and inspiring dishes using seasonal and local ingredients where possible.

Our Event Managers are happy to discuss ways we can help make your Christmas party more sustainable.

## NIGHT AT THE MUSEUM EXPERIENCES

For a truly magical evening, that will be remembered for years to come, engage your guests with an expert-led private tour of our collections or exhibitions. It will spark conversations and make your celebration even more special.
